The new \$60,000 army general hospital, which has been in course of construction at Fort Shafter for several months, will be completed next week and ready for the hospital equipment. It is a commodious structure. All the sick of the department will be cared for there. The post hospitals will minister to those who are temporarily ill.

POLICE WATCHED LOGAN DEPART

The United States army troopship Logan offered many glittering inducements to the beach-combing gentry of Honolulu to "beat it" for the Coast. Several plain-clothes officers as well as regulation police were interested spectators to the sailing of the Logan for San Francisco at noon today.

A constant procession of militant folk visited the vessel and Richards street wharf was duly initiated by the animated departure of the army boat. Twenty-six cabin, six second class and sixty troop passengers joined the Logan at this port.

At the instance of the quartermaster department two large and fully-equipped life rafts were added to the Logan equipment before the vessel departed today.

A SUBSTANTIAL PROPOSITION.

That the Denio Telephone Fire Alarm system is not an idle fancy of the hour, but on the contrary is a substantial, tangible proposition, is fully proven by its passing the examination of the National Board of Underwriters, and receiving their recommendation.

The installation of the system has caused the substantial lowering of fire insurance rates in many locations in the states, and it should do the same here in Honolulu, and to that end, if for no other, the property owners and business people of this city should give it their full support.—advertisement.

SIMPLE MIXTURE HELPS HONOLULU PEOPLE

That simple remedies are best has again been proven. The Hollister Drug Co. reports that many Honolulu people are receiving QUICK benefit from simple buckthorn bark, glycerine, etc., as mixed in Adler's-Ka, the German appendicitis remedy. A SINGLE DOSE helps sour stomach, gas on the stomach and constipation INSTANTLY because this simple mixture antiseptizes the digestive organs and draws off the impurities.

BUSINESS ITEMS

Raw sugar was reported firm in New York yesterday.

Freitas & Fernandez were the lowest bidders for building the Kalihi hospital, at \$7924. There were three other bids, the highest \$11,536.

Closing quotations for Hawaiian stocks in San Francisco yesterday were as follows: Hawaiian Commercial, 33 7/8 bid; Hawaiian Sugar, 35.75 bid, 36.50 asked; Honokaa, 7 bid, 10 asked; Hutchinson, 18 bid; Kilauea, 12 bid; Onomea, 31 bid, 34 asked; Panahau, 18.50 bid; Honolulu, 31.50 asked.

Trading in stocks was active at the opening of the New York stock exchange yesterday and price changes were irregular. There was a slump in American Can, both common and preferred, owing to disappointment at a dividend announcement. Money rates were much lower but banks discriminated against certain collateral loans.

Stirred by numerous incendiary fires, the citizens of San Lorenzo, Cal., have formed a vigilance committee and it will go hard with the fire starter if he is caught.

The French federation of boxing is trying to get the world's middle-weight title fought at Paris instead of in the United States.
